

# BYT12

Magnetic guide tube for cartridge valve

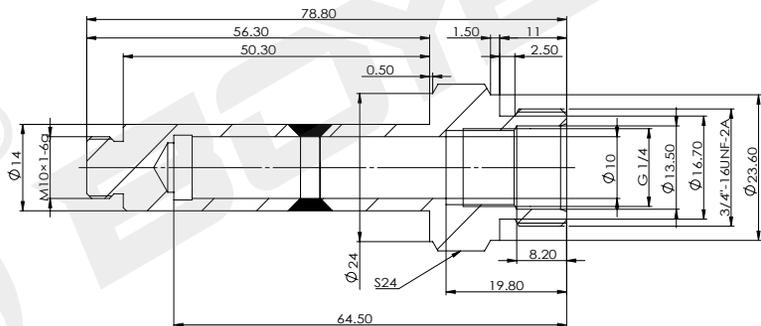

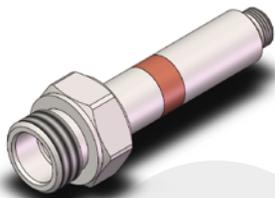

- Push type, three section copper pile welding, external hexagonal thread connection

## BYT012-13-01

technical parameter					
Working oil pressure	MPa	≤ 21	Hexagon size	mm	22.2

## BYT12-14-01

technical parameter					
Working oil pressure	MPa	≤ 21	Hexagon size	mm	24
